Dear Mr. Jacobson,

Please accept this letter as a recommendation for DLJ Enterprises Inc. Dinosaur World is very satisfied with DLJ Enterprises Inc. and would gladly work with them on other projects. Their construction administration services for our new museum and gift shop building at our Plant City location was a smoother project under their lead. They are very professional and knowledgeable. DLJ Enterprises Inc. also supervised the landscape work. We feel very confident recommending DLJ Enterprises Inc. to other organizations.

Sincerely,
